Virtual Convention

July 2020 Edition

CCNA: 2020 Vision – A Virtual Tour

It's official! The current challenges we all face these days and the limitations on crowd sizes as well as travel across inter-province borders mandating quarantine in many cases, leaves us compelled to change our delivery method of CCNA. The safety of our membership comes first.

Though this is not great news we can make the best of the situation and still create an amazing online recovery celebration. Using the Zoom platform offers us the ability to carry the NA message of hope to so many members and potential members who may never have an opportunity to attend a Canadian Convention. We hope we can count on you to go viral with our virtual plans!

Registration: Virtual Registrations Available Now!

Many members have already purchased registration packages for the scheduled convention in Winnipeg. With the move to an online convention, we need to work with each of you to see how we might resolve any partial or full refunds.

We will be permitting anyone to attend our online convention for free though we are hoping for a 7th Tradition contribution of your choice. We will also be offering special packages for those who would like to take advantage of some other items we have available.

You can trade an existing previously paid registration for a virtual registration, donate the cost already paid, get a partial refund or receive a full refund – your choice! Visit our website for information on the various options available or to complete a registration or request a refund.

Programming:

So many meetings and so many speakers. We are expecting to have about 50 speakers participating in dozens of meetings. Main meetings will be translated into French simultaneously. We have a lot of slots to fill. Please let us know if you are interested in participating by completing a speaker or chairperson volunteer form on our [website](#). We need you! Comedian:

We will have a fantastic comedy show that will be sure to have you laughing so much you will cry. We have just finalized a deal with an amazing funny, funny guy. You must purchase your ticket in advance because we will not be able to process online transactions at show time. Get your ticket on our [website](#) now!

Merchandise

Great news for collectors of NA swag! We will be offering CCNA XXVIII branded merchandise as well as other NA merchandise for sale online. Watch for more information coming in a few weeks.

The speaker recordings from all meetings will be available for purchase as single meetings or a full speaker package. You can also get a discount on the full recording package with the purchase of a Virtual Registration Package. Check the [website](#) for more info.

Canadian Assembly

Our Canadian fellowship is blessed with many selfless trusted servants. You can meet some of them if you attend the Canadian Assembly Zonal Forum meetings taking place just prior to the convention. All NA members are welcome and encouraged to attend. Come find out more and witness the zonal forum in action as they strategize on how best to carry our message of hope across this vast country. Check out our website and the CANA/ACNA website in early September for online meeting access via Zoom.
